Races begin 6:00 p.m. sharp on Tuesday. Final races will be on the sixth week. If races are canceled a week due to snow/conditions, gates will be set the seventh week for a "fun" week but will not be included in the finals. Trophies and party will be given on the seventh week.

Bittersweet Ski School will set the race courses for intermediate skiing abilities. One course will be a slalom course and the other a modified open slalom. All racers must have their first run in within 45 min of start time, and both runs within 90 min.

The running order will be random the first night. Order for following nights will be as announced. Each racer is allowed four runs; 2 on each course. You may run under your own bib number only.

Scoring will be based on the handicap system with a Bittersweet Ski Instructor as the "0" time or pacesetter. Each skier receives a Handicap based on their age and sex. Each racer receives points as follows:

- 4 for gold
- 3 for silver
- 2 for bronze
- 1 for participation

The total of top four individual points will be the team score for the night. Team scores will be placed on Bittersweets website (www.skibittersweet.com) and posted in our lounge.

Disqualification will result if:

- * Racer does not run
- * Racer skis through course incorrectly
- * Racer pre-runs the course
- * Racer does not have lift ticket
- * Other infractions of FIS rules

Protests should be taken to race officials immediately and settled later in the bar over several beers. Remember, this is for fun!

IF you wear a speed suit please wear your warm up pants in the lounge.
